GOAL ZERO – PORTABLE POWER BANK
VENTURE 35 POWER BANK USB-C

THE VENTURE 35

Designed with increased protection against the elements and more power than its predecessor, the new Venture 35 is ready for anything. Equipped with an upgraded IP67 rating, the 9600 mAh power bank is now dustproof and waterproof, giving you the confidence to power essential devices through any adventure, rain or shine. Charge up the Venture 35 in only three hours using the new 18W USB-C Power Delivery port and power multiple devices at once with the addition of two USB output ports.

The Venture 35 can be recharged from a USB-C (18W) source in 3 hours.

You can alos recharge the Venture 35 from the sun by connecting a compatible solar panel in about 6 hours. We recommend the Nomad 10 or Nomad 20 for the best charging experience.

Waterproof IP67 rating
Ensures protection against dust, sand and debris, and can withstand submersion up to 1 meter of water for at least 30 minutes.

Waterproof IP67 Design
Rubberized and ruggedized to withstand wet, unpredictable weather or handling mishaps during any excursion without any coverings over the ports.

New 18W USB-C Power Delivery port
Provides faster charging in and out.

Fresh design
Features a protective rubber sleeve and a waterproof plug that protects your ports against the elements when not in use.

Integrated 50 lumens emergency flashlight
Emergency flashlight lights up trails or hallways in a pinch.
